REPORT OF POSSIBLE TRANSFUSION REACTION

1. STOP THE TRANSFUSION IMMEDIATELY.
2. NOTIFY HOSPITAL BLOOD BANK IMMEDIATELY.
3. REMOVE ALPHANUMERIC BLOOD BANK ARMBAND FROM PATIENT (IF POSSIBLE RED CELL REACTION).
4. RETURN BLOOD CONTAINER(S) AND ARMBAND TO BLOOD BANK. INCLUDE CLAMPED TUBING AND CLOSE BLOOD CONTAINER(S) SECURELY TO ALLOW FOR CULTURES.
5. DO NOT GIVE BLOOD PREVIOUSLY CROSSMATCHED UNTIL APPROVED BY THE BLOOD BANK.
6. NOTIFY PHYSICIAN REGARDING THE POSSIBLE TRANSFUSION REACTION.

I. History:

Patient's diagnosis: _____

Has this patient been previously transfused? → ☐ YES ☐ NO

If yes: Was the most recent transfusion within the past two months? → ☐ YES ☐ NO

Have there been previous transfusion reactions? → ☐ YES ☐ NO ☐ Patient unable to give history

If yes, please describe: _____

Has the patient had a fever in the last 24 hours? → ☐ YES ☐ NO

II. Identification of number(s) of donor unit(s) associated with the reaction:

Unit #	Product Type	Amt. Given	Time Transfusion Started	Time Transfusion Stopped

Were any medications mixed with the blood during the transfusion? → ☐ YES ☐ NO

If yes, Explain: _____

Was the blood infused with any solution other than normal saline? → ☐ YES ☐ NO

If yes, Explain: _____

III. Reaction:

Time reaction noted:

Was there a rise in temperature of at least 1 °C? → ☐ YES ☐ NO

Peak temperature during suspected reaction: _____ °C. Source (oral, rectal, etc) _____

Most recent temperature prior to the transfusion reaction: _____ °C. At what time? _____

Blood pressure change during suspected reaction? → ☐ YES ☐ NO

If yes: **Pre-transfusion level** _____ **Reaction level** _____

	Associated other signs/symptoms		Symptoms present before transfusion?	
	Yes	No	Yes	No
Pain	☐	☐	☐	☐
Chills	☐	☐	☐	☐
Urticaria	☐	☐	☐	☐
Red/brown urine	☐	☐	☐	☐
Shortness of breath	☐	☐	☐	☐
Other*	☐	☐	☐	☐

If "Yes" for pain, describe location, quality and duration of pain:

_____.

_____.

_____.

*If yes for Other, describe the signs/symptoms: _____

_____

_____

Date _____ Signature _____ (R.N., P.A. OR M.D.)
